## “Explorers Song” Worksheet

Follow the hints below to create a song about explorers. You can use the tune suggested or create your own. To create a melody, sing on one note at first, gradually adding more. Melodies go up and down by step or skip. Keep it simple!

Chorus

Line 1: Explorers have shown us a new, new way

Line 2:

Line 3:

Line 4:

For the verses, write some interesting facts about famous explorers. e.g. Neil Armstrong was the first person to walk on the moon.

### Helpful Hints

Create your own first line

Brainstorm words that rhyme with “way” to come up with line 2

Find some background music or beats for the verses

Use call/response for the verses: “Neil Armstrong was the first person to walk on the moon--walk on the moon”. The response part could be sung.

### Final form of this song

Chorus (sung)

Verse 1 (spoken) 4 explorers

Chorus

Verse 2 (spoken) 4 explorers

Chorus

Verse 3 (spoken) 4 explorers

Etc.
